

Mohamad Moosid Mohamedhosen  
28.4.1964 - 15.3.2019

*"We are born to live a beautiful life in this world and prepare to leave everything behind for an everlasting life in the hereafter. God has decided to make you leave us in a tragic way during Friday prayers on 15<sup>th</sup> March 2019".*

Mohamad Moosid was born in Vacoas, Mauritius. After his studies he worked for a local cellular phone company for few years and left for further studies in the United Kingdom where he spent 14 years. He holds an Engineering degree and an MBA. He worked as an Engineer for multiple firms in the UK and New Zealand. Mohamad founded his own company 3D Graphics Limited.

Mohamad's thirst for adventure brought him to New Zealand where he intended to enjoy all sorts of outdoor activities. He loved engineering, water sports, cooking, photography, art and gardening his newfound passion.

Those whose crossed his path describe him as selfless, cheerful, kind-hearted, thoughtful, supportive with a unique sense of humour.

*"Mohamad always had a kind word for everyone and wherever he is the place brightens up".*

Mohamad is a proud dragon, sole player, an idealist who stood for fairness, justice and perfection.

Mohamad always says he left Paradise (Mauritius) to come to Peaceful New Zealand which he called home and from New Zealand Mohamad was taken to Paradise for eternity.

We are very proud of you Mohamad Moosid. You will always be remembered as the best son, brother, uncle and friend one could ever wish or hope for. Thank you for imprinting our lives with your awesome presence. You will be greatly missed.

Rest in peace Mohamad Moosid and be blessed.
